How to Become an Environmental Educator ... Environmental education aims to educate the public about nature and environmental issues. While it's usually geared toward primary school or high school students, some environmental educators work with members of the public. Nature Education Programs - Delaware Nature Society Children age preschool - teen, families, and adults discover nature in our hands-on nature education programs, summer camp, school/group programs, and more with our excellent safety-certified education team. Careers in Nature Education - Learn.org Careers in nature education may appeal to people with a passion for the outdoors and a desire to promote environmental stewardship in a variety of locations. Classroom nature educators are teachers (typically in public schools) who educate students about nature and different problems facing our planet.

Nature Education | DCNA In 2010, the education officers and park staff who are responsible for nature education came together in a workshop to engage in peer-to-peer learning, planning and material production. Their goal was to develop a standard, regional framework for youth nature education, which could be conducted as out of school activities.
