Concept and Nature of Special Education | Dr. Prolay ... Special education can include a range of support services, depending on the special needs of the student. Support services may involve physical assistance and therapy, counseling and psychotherapy, modified learning environments and assistive learning devices, educational and psychological assessments, and behavioral modification techniques. What Is The Nature Of Special Education Teaching ... Because of the nature of his job, the Special Ed teacher collaborates not only with the school administrator, but works closely with the school psychologist, social and health workers, the general education teachers and especially with the children's parents. Special Education in the Schools - Council for Exceptional ... Special education's most valuable contribution to education is its specialized knowledge, competencies, values, and procedures for individualizing educational programs for individual children, whatever their special needs.

The Nature of Special Education: People, Places and Change ... Read this book on Questia. Contains a collection of brief case studies of children, families, professionals, curricula and schools which illustrate and illuminate contemporary methods in special education. Nature vs. Nurture in Special Education The author discusses aspects of the nature versus nurture equation in special education. She is critical of three assumptions that influence the special education including that students with disabilities must show that they can learn before they can be taught with nondisabled students, students. ERIC - Effective Intervention for Students with Specific ... The nature of effective instruction for students with specific learning disability is explored. Process training has long been a prominent intervention but is shown to possess limited efficacy. Better outcomes are attained when effective general education instructional techniques are adapted for the purposes of special education. Related services are also shown to be useful adjuncts to the.

Special Education Archives - Montessori Nature This site uses cookies. Find out more. Accept and hide the message. What are the Challenges of Being a Special Education ... The nature of a special education teacher's work is very different from that of traditional teachers; the result of this is that standard classroom teachers may not view them as colleagues. There may be a professional stigma attached to the work of teaching slow students.
